In the past ten years, Alliance Redwoods Conference Grounds has grown from a mid-sized denominational camp to one of the largest and most successful camp and conference ministries in North America! The impact of your giving is more than we can imagine.

Thank you for your continued support.

Whether it's teaching the next generation to be good stewards of the environment, providing a place of worship to those in need of refreshment, offering rest for our first responder heroes or folks experiencing homelessness - we extend Christian hospitality to every guest who arrives a stranger but leaves a friend.
